The Inspirations Dance Centre Performing Company (IDCPC) is a group of dancers who perform at competitions and local venues. In the 2009-10 season, the company performed at 4 competitions in cities such as Myrtle Beach, Winston Salem, and Supply. The companies won several awards including several judge's choice awards, several top overall scores, "Studio of Excellence" and "Best in Show" awards and winning spots in national competitions held in Chicago, Panama City, and Myrtle Beach. At nationals, they won several top overall awards and the "Super Sport" studio award. The company also performed at various local events such as the Fourth of July Festival, Southport Spring Festival, Boiling Spring Lakes Community Day, and the Oak Island Christmas Parade. The groups were in the State Port Pilot for all events. We would not have been able to get through the season without our sponsors' generous donations. Donations help us with travel expenses, costumes, and competition entry fees.

The IDCPC Sponsors are a group of individual community leaders and corporate sponsors who give financial support to the company. This very special group is comprised of many of our area's most outstanding, committed individuals and local businesses. Through scholarships, exemplary training programs, competitions, conventions, and exhilarating performances, IDCPC sponsors are making a tremendous contribution to North Carolina's cultural resources. Our sponsors proudly support the dedicated young artists who work so diligently to achieve their goals and are role models for countless youths in our community. Levels of sponsorship are:

- silver level ~ \$25 - \$49 ~ Silver members will receive performing company newsletters, a spot on our in studio sponsor board, and a spot on our company t-shirt.
